Re: 031-32406-00001
Revocation of Part 70 Operating Permit No.: T031-17541-00001

Dear Mr. Wiederhold:

Printpack, Inc. was issued Part 70 Operating Permit Renewal No. T031-17541-00001 on October 30, 2007, for a stationary printed plastic bag production plant, located at 1505 West Main Street, Greensburg, Indiana. On October 10, 2012, the Office of Air Quality (OAQ) received a letter from the source requesting that the Part 70 Operating Permit be revoked, since all permitted emission units have been either disabled or removed from the source.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner, the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the Part 70 Operating Permit is no longer required.

The Part 70 Operating Permit No. T031-17541-00001, issued on October 30, 2007, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

A copy of the revocation is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: www.idem.in.gov

If there are any questions about this revocation, please contact Donald McQuigg, at 317-234-4240 or at 1-800-451-6027 (ext 44240).
