Re: 029-33495-00030
Revocation of FESOP No. 029-18830-00030

Dear Mrs. Strzok:

D & S Machine Products, Inc. was issued a FESOP No. 029-18830-00030 on March 22, 2005, for a stationary source that manufactures screw machine products such as machine screws, nuts, and bolts, located at 6965 US 50, Aurora, IN 47001. On August 6, 2013, the Office of Air Quality (OAQ) received a letter from the source requesting that the FESOP be revoked since the source has ceased operation.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the FESOP is no longer required.

The FESOP No. 029-18830-00030 issued on March 22, 2005 is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Please be advised that once this revocation is effective the source will no longer have approval to operate any emission units at this source. In addition, if there is a need in the future to operate any units at this source, construction and operation approval will be necessary pursuant to Indiana's New Source Review regulations. Once effective, this revocation can not be withdrawn or rescinded.

A copy of the revocation is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: www.idem.in.gov

If there are any questions about this revocation, please contact Amanda Aitken at 317-234-3494 or at 1-800-451-6027 (ext 4-3494).

Sincerely,

Iryn Calilung, Section Chief
