Re: Response to Review Request No.  
167-33825-00131

Dear Mr. Griswold,

ADVICS Manufacturing Indiana, L.L.C. was issued a Federally Enforceable State Operating Permit (FESOP) Renewal No. F167-32460-00131 on July 10, 2013, for a stationary automotive brake and brake component manufacturing plant located at 10550 James Adams St., Terre Haute, Indiana 47802. On October 29, 2013, the Office of Air Quality (OAQ) received a notification from the source indicating that the Responsible Official associated with the plant had changed to Brian Stevens. The IDEM OAQ permits database has been updated to reflect that Brian Stevens is the Responsible Official. No changes to the permit were necessary to update the Responsible Official.

All conditions of the permit shall remain unchanged and in effect. A copy of the permit is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: [www.idem.in.gov](http://www.idem.in.gov)

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Jenny Liljegren of my staff at 317-233-0870 or 1-800-451-6027, and ask for extension 3-0870.
