Re: 097-34128-05230
Revocation of SSOA No. S097-16900-05230

Dear Mr. Williams:

Martin Marietta Materials Inc. was issued a Source Specific Operating Agreement (SSOA) No. S097-16900-05230 on May 12, 2006 for a portable limestone, concrete, and asphalt crushing plant currently located at 4202 S. Harding Street, Indianapolis, Indiana 46217. On January 28, 2014, the Office of Air Quality (OAQ) received a letter from the source requesting that the SSOA be revoked, since all emission units have been removed and the source has ceased operation.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the SSOA is no longer required.

The SSOA No. S097-16900-05230 issued on May 12, 2006, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Please be advised that once this revocation is effective the source will no longer have approval to operate any emission units at this source. In addition, if there is a need in the future to operate any units at this source, construction and operation approval will be necessary pursuant to Indiana's New Source Review regulations. Once effective, this revocation can not be withdrawn or rescinded.

A copy of the revocation is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: www.idem.in.gov

If there are any questions about this revocation, please contact Charles Sullivan at 317-232-8422 or at 1-800-451-6027 (ext 2-8422).

Sincerely,
