Re: 095-34602-00122
Revocation of Registration No. 095-20747-00122

Dear Mr. Mathews:

Ricker's Petro Mart was issued a Registration No. 095-20747-00122 on March 15, 2005, for a stationary soil and water remediation system at a convenience store, located at 920 West 38th Street, Anderson, IN. On June 2, 2014, the Office of Air Quality (OAQ) received a letter from the source requesting that the registration be revoked, since all emission units have been removed from the source and operation has ceased.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the Registration is no longer required.

The Registration No. 095-20747-00122 issued on March 15, 2005, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Please be advised that once this revocation is effective the source will no longer have approval to operate any emission units at this source. In addition, if there is a need in the future to operate any units at this source, construction and operation approval will be necessary pursuant to Indiana's New Source Review regulations. Once effective, this revocation can not be withdrawn or rescinded.

A copy of the revocation is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: www.idem.in.gov

If there are any questions about this revocation, please contact Celeste Wanner at 317-234-5376 or at 1-800-451-6027 (ext 4-5376).

Sincerely,

Jenny Acker
