Re: 147-35491-00062  
Administrative Amendment to  
PSD/New Source Construction and Part 70  
Operating Permit T147-32322-00062

Dear Mr. Wilson:

On February 19, 2015, the Office of Air Quality (OAQ) received a letter from Ohio Valley Resources, LLC, requesting an additional eighteen (18) month extension to the eighteen (18) month construction deadline stated in PSD/New Source Construction and Part 70 Operating Permit No. T147-32322-00062, issued on September 25, 2013.

IDEM OAQ, considered the information provided by Ohio Valley Resources, LLC for the extension request. After careful evaluation of all the information presented in this request, IDEM determined that a satisfactory showing was made to justify an additional eighteen (18) month extension for the project without the need for substantive changes to the existing construction approval. This determination was made as part of Review Request number 147-35484-00062, which was issued on February 27, 2015.

Accordingly, to incorporate this determination into Ohio Valley Resources, LLC's existing PSD/New Source Construction and Part 70 Operating Permit No. T147-32322-00062, Condition B.2 - Revocation of Permit must be amended to extend the deadline date for the commencement of construction until September 25, 2016.

For a permit issued under the provisions of 326 IAC 2-2 (Prevention of Significant Deterioration (PSD)), approval to construct is subject to the provisions of 326 IAC 2-2-8(a). Condition B.2 - Revocation of Permits has been amended to clarify the construction authorization under 326 IAC 2-2-8.

Condition B.2 - Revocation of Permits has been amended as follows:

**B.2 Revocation of Permits [326 IAC 2-2-8]**

Pursuant to **326 IAC 2-2-8(a)(1)**, 326 IAC 2-1-1-9(5) (Revocation of Permits), the Commissioner may revoke this permit to if construction **construct shall expire if construction** is not commenced **on or before September 25, 2016** within eighteen (18) months after receipt of this approval or if construction is **discontinued** suspended for a continuous period of **eighteen (18) months** one (1) year or more.

All other conditions of the permit shall remain unchanged and in effect. The attachment with this letter reflects the amendments to Condition B.2 - Revocation of Permits. Please attach a copy of these amended pages with the original new source construction and Part 70 operating permit.

A copy of the permit is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the **IDEM Permit Guide on the Internet at: <http://www.in.gov/idem/5881.htm>; and the Citizens' Guide to IDEM on the Internet at: <http://www.in.gov/idem/6900.htm>.**

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5.

If you have any questions on this matter, please contact Josiah Balogun of my staff, at 317-234-5257 or 1-800-451-6027, and ask for extension 4-5257.
